
TODAY'S CALL SHEET

30. November 2019

Version 2.0

1. App Ownership

Today's Call Sheet is privately owned by the developer, Riku Virta.

2. Data collection

The app itself does not collect or pass on data in any form. If the user opts in for Apples statistics collection, Apple will have collect some data as per Apple's Privacy Policy: <https://www.apple.com/legal/privacy/en-ww/>

3. Changes or updates to the privacy policy

Changes to this policy are possible. If changes are made, users will be notified about the changes in connection with a version update of the app.
